We hereby certify that the designated lot of fasteners has been manufactured according to the indicated standards. Inspected and tested by the laboratory(ies) accredited in accordance with "The Fasteners Quality Act and Regulations". Established to conform to the specified "Standards and Specifications". All test reports and certifications along with the fasteners of the designated lot are traceable to the heat lot number of the raw material used. Each document is on file and available for review. Accuracies of the calibrations, tests, and measurements made for the indicated lot are traceable to the measurement standards of "NIST" through the unbroken chain of traceability.

WARNING:

1. This test report shall not be reproduced except in full without written consent of the laboratory
2. The recording of false, fictitious, or fraudulent statements on the certificate may be punishable as a felony under Federal Law.
